### GARY AND JANN ALLEN

Gary and Jann (Janice) are retired missionaries, having served with Free Methodist World Missions for a total of twenty-nine years (sixteen in Burundi and the Democratic Republic of the Congo, and thirteen in Mexico.)

Jann's experience as an elementary school teacher enabled her to teach missionaries' children (in Africa) and also work with the national churches in Christian Education. While in Africa, Gary used his training as a medical technologist, and physician's assistant to serve in medical missions. He also became trained and ordained as a minister so he could work with the African churches in evangelism and discipleship training.

In Mexico, they worked together in leadership training and discipleship ministries. Jann also did some work in Christian Education with the FMC in Campeche, Campeche, and then to a lesser degree in Mexico City.

They have three sons: Brad/Victoria, Tim/Judith and Natalie (5 years old), and Eric/Joy, with 6 more grand children: Adrian (13), TJ (13), Jade (12), Aiden (10), Julian (9), and Kendrick (1).

Jann loves to read books, and Gary's preferred pastime is fishing!
